THANK YOU

Whether you're a returning customer or making your first purchase, we're dedicated to meeting and exceeding your expectations.

Mueller has become a leading manufacturer of steel buildings and residential metal roofing in the Southwest by offering what our customers want most: superior quality and outstanding value. Our products are made right here in America, and we are always looking for ways to improve by investing time and resources into innovation and the latest technology.

A product is only as good as the company behind it, and we are proud that Mueller is a name people trust. For more than 90 years, we have stood behind our manufactured products and we are committed to continuing to provide those same personal services for decades to come.

Explore our vast selection of products in this catalog, then contact us to begin working on your metal building or roofing project. We look forward to working with you!

MUELLER ADVANTAGE

MUELLER OFFERS MANY ADVANTAGES

We are committed to delivering the highest level of service, customer satisfaction, and product quality. We call these benefits the Mueller Advantage. We appreciate your business and look forward to showing you firsthand what the Mueller Advantage is all about.

ACCESSIBILITY

With 38 convenient locations in seven states and multiple manufacturing facilities, we offer unparalleled customer service. Additionally, we are growing and expanding into new markets.

PERSONAL SERVICE

Mueller's culture is built on helping people. We enjoy working directly with you – from the selection of products through delivery. Loyalty is important to us, and we will be there for you.

ONLINE TOOLS

We offer a variety of easy-to-use tools. Our online 3D Design Tool allows you to design and quote your dream building. Also, find installation videos and manuals as well as step-by-step project guides on our website.

IN-HOUSE MANUFACTURING

We have five major manufacturing facilities where we make prefab buildings, metal roofing, trim components, vents, roll-up doors, anchor bolt templates, and coil.

INNOVATION & TECHNOLOGY

We're always looking for ways to improve your experience at Mueller. As a world leader in technology, we utilize the latest equipment and systems to make precise, high-quality products.

DEPENDABILITY

Our company strives to build relationships based on trust and integrity, and thanks to you, our customers, we have been able to provide service to our communities for over 90 years.

QUALITY & VALUE

Everything we make is designed to give you the best combination of durability and affordability. We stand behind our products and offer limited paint warranties up to 40 years.

SUPPORT & SERVICES

Our services and support go beyond manufacturing. We offer engineering services for a variety of projects - from simple structures to complex buildings. Our roofing experts will measure your roof for a site visit fee, and we offer on-site forklift delivery.

STEEL BUILDINGS

ONE COMPANY. SO MANY POSSIBILITIES.

With Mueller, you have access to a wide range of high-quality steel buildings. Our buildings are expertly manufactured to meet your requirements and deliver real value. Additionally, you can select from a variety of colors with limited paint warranties up to 40 years. We invite you to take a look at all of your options, then come see us or give us a call.

VALUE + SYSTEM

EASY TO ASSEMBLE, BUILT TO LAST.

These engineered, bolt-together, galvanized buildings are 100% cold formed, which means lighter materials to handle and a faster turnaround time than traditional red-iron frames.

- 100% COLD FORMED (ALL PURLIN FRAME)
- ENGINEERED TO SPECIFICATIONS
- LIGHTER MATERIALS TO HANDLE
- FASTER TURNAROUND TIME
- WIDE RANGE OF BUILDING OPTIONS: GAMBREL, RAISED CENTER AISLE, MEZZANINES, ETC.
- COST EFFECTIVE

COMMERCIAL BUILDINGS

BUILDINGS ENGINEERED FOR YOUR SUCCESS.

The flexibility and affordable pricing of Mueller commercial buildings is great for your bottom line. Whether you need a simple building or highly complex headquarters, you will find a wide range of options, including building size, roof type, colors, and accessories. You will also receive maximum efficiency, quality and value since we handle both engineering and manufacturing. We'll work with you throughout the entire process, from initial design to delivery of your building.

WE CAN HELP WITH PROJECTS THAT:

- HAVE PLANS AND/OR SPECIFICATIONS (INVOLVING ARCHITECTS OR ENGINEERS)
- UTILIZE CRANE SYSTEMS (TRSG, MONORAIL, JIB)
- HAVE LARGE DOOR SYSTEMS (PROJECTS REQUIRING HANGAR TYPE DOORS)
- HAVE CLEAR SPANS OF 80' TO 165' (AND POSSIBLY MORE IF NEEDED)
- ARE NONRESIDENTIAL BUILDINGS WITH 2ND FLOORS (MEZZANINES)
- INCLUDE MULTIPLE, INTERCONNECTING BUILDINGS

>> Roof & Trim: Tan; Walls: Light Stone

SELF STORAGE BUILDINGS

OUR BUILDINGS CAN HELP YOU GROW YOUR BUSINESS.

Self storage businesses choose Mueller. From climate-controlled facilities to boat and RV storage, we offer a wide range of solutions. Mueller designs and manufactures the units to exact specifications and offers warranties to ensure years of reliability and peace of mind. They feature pre-cut, pre-marked steel frames and durable steel panels.

- DURABLE CONSTRUCTION
- EASY INSTALLATION
- QUIET OPERATION
- LONG-LASTING PERFORMANCE

ROLL-UP DOORS

EVERYTHING YOU WANT IN A ROLL-UP DOOR.

In self storage units, roll-up doors are essential components, so we manufacture them ourselves. We also offer several options for customizing your units. You can choose from a variety of designer colors for the steel panels, trim and roll-up doors, along with a variety of accessories and components. For extra convenience, choose on-site forklift delivery.

>> Walls: Light Stone; Trim: Deep Blue; Roll-up Doors: Light Stone

>> Roof, Walls & Roll-up Doors: White; Trim: Various

>> Hall Walls, Trim & Roll-up Doors: High Gloss White

>> Walls: White; Trim & Roll-up Doors: Patriot Red

LIVING SPACES

THIS IS HOME.

Enjoy the comforts of a steel building from Mueller. Our engineered exteriors provide the flexibility to customize the interiors according to your needs. And because there's no need for floor-to-ceiling columns, you can enjoy wide-open spaces. You'll get a custom barndominium that is carefully engineered and manufactured by us. Find out why so many people choose Mueller steel buildings for their dream home.

Note: Some exterior structures were added post-engineering and not designed by Mueller. Please check local building codes before ordering.

FARM AND RANCH

THE HEART OF YOUR AGRIBUSINESS.

Mueller began selling sheet-metal cisterns to local farmers more than 90 years ago. Our company continues to maintain this agricultural tradition by building steel buildings for farmers and ranchers throughout the Southwest. Whether you need a barn for livestock or a shed for agricultural equipment, Mueller can create a reliable structure you can count on. It can be built the way you want it, from the size and colors to the placement of the doors and windows.

PRE-ENGINEERED BUILDING KITS

CHOOSE FROM STANDARD OR VALUE PLUS SYSTEM.

Our pre-engineered building kits are available in two different systems, the Standard Series and the Value Plus system. Whether you need a workshop, garage, barn or large storage space, you simply can't go wrong with these pre-engineered steel building kits.

EACH KIT INCLUDES:

- Bolt-together frame
- 26-gauge Galvalume roof with 20-year limited warranty
- 26-gauge colored walls with 30-year limited warranty (white, tan, light stone, light gray)
- Basic trim package
- Anchor bolt plans and erection drawings

LOAD OPTIONS AVAILABLE:

- Utility 20/10/115 mph frame load (IBC 12)
- Basic 20/20/140 mph frame load (IBC 12)
- TWI 20/10/120 mph frame load (IBC 06)
- Snow 20/30/130 mph frame load (IBC 12)
- Premium 20/10/150 mph frame load (IBC 12)

OPTIONAL ITEMS:

- Roll-up Doors
- Walk Doors
- Insulation
- Ridge Vents
- Windows
- Additional Colors

STANDARD SERIES KITS

Our Standard Series kits are built of heavy-duty structural steel, and can be assembled with bolts and screws, with no welding required.

AVAILABLE SIZES:

- 24' x 24' x 10' - One 10' x 7' 4" framed opening
- 24' x 30' x 11' - One 16' x 8' framed opening
- 30' x 40' x 12' - One 10' x 10' framed opening
- 30' x 50' x 12' - One 12' x 10' framed opening
- 40' x 50' x 14' - One 12' x 12' framed opening
- 40' x 60' x 16' - Two 14' x 14' framed openings

VALUE PLUS KITS

Our Value+ kits are a flexible and affordable addition to your farm, ranch, home or business. These engineered, bolt-together, galvanized buildings are 100% cold formed, which means lighter materials to handle and a faster turnaround time.

AVAILABLE SIZES:

- 24' x 24' x 10' - One 10' x 7' 4" framed opening
- 24' x 30' x 10' - One 16' x 8' framed opening
- 30' x 40' x 12' - One 10' x 10' framed opening
- 30' x 50' x 12' - One 12' x 10' framed opening
- 40' x 50' x 14' - One 12' x 12' framed opening
- 40' x 60' x 16' - Two 14' x 14' framed openings

>> Roof: Galvalume Plus; Walls & Roll-up Door: White; Trim: Tan

BACKYARD BUILDING KITS

FUNCTIONAL AND AFFORDABLE.

Whenever you need extra storage space, our Backyard Building Kits are a great choice. These kits have been a favorite of our customers because of their exceptional functionality and affordability. There are six sizes and 35 colors to choose from. Assemble with bolts and screws – no welding. Optional floor kits are also available.

AVAILABLE SIZES:

- 6' x 9' x 7'
- 9' x 12' x 7'
- 12' x 15' x 7'
- 12' x 21' x 8'
- 18' x 21' x 8'
- 24' x 24' x 8'

EACH KIT INCLUDES:

- 26-gauge color roof & walls with 30-year warranty
- Steel door
- Trim package
- Bolt-together frame
- 35 designer colors

Note: Backyard Building Kits are not engineered. Please check local building codes before ordering.

GREENHOUSE KITS

A GREAT WAY TO NURTURE NATURE.

If you love plants, you'll love our greenhouse kits. They feature a strong, galvanized steel frame that can be easily bolted together. The polycarbonate panels are extremely strong, and they let plenty of light in to help your plants and flowers grow. The greenhouse door is even lockable for extra security. You can choose from a variety of trim packages to complement your home and landscaping.

AVAILABLE SIZES:

- 6' x 9'
- 9' x 12'
- 12' x 15'
- 12' x 18'
- 12' x 21'

FEATURES:

- Easy-to-assemble, bolt-together design
- Galvanized steel frame
- Hail-resistant
- Lockable walk door
- UV protection
- Durable polycarbonate panels

Note: Greenhouse Kits are not engineered. Please check local building codes before ordering.

>> Roof & Walls: Desert Tan; Trim: Chestnut Brown

>> Trim: Ivy Green

LOAFING SHED KITS

PROTECTION FOR YOUR ANIMALS YEAR-ROUND.

When your animals and livestock are important to you, it's vital to give them cover from the elements. The Mueller Loafing Shed provides shelter in hot or cold weather, season after season. There are two sizes and over 30 colors available.

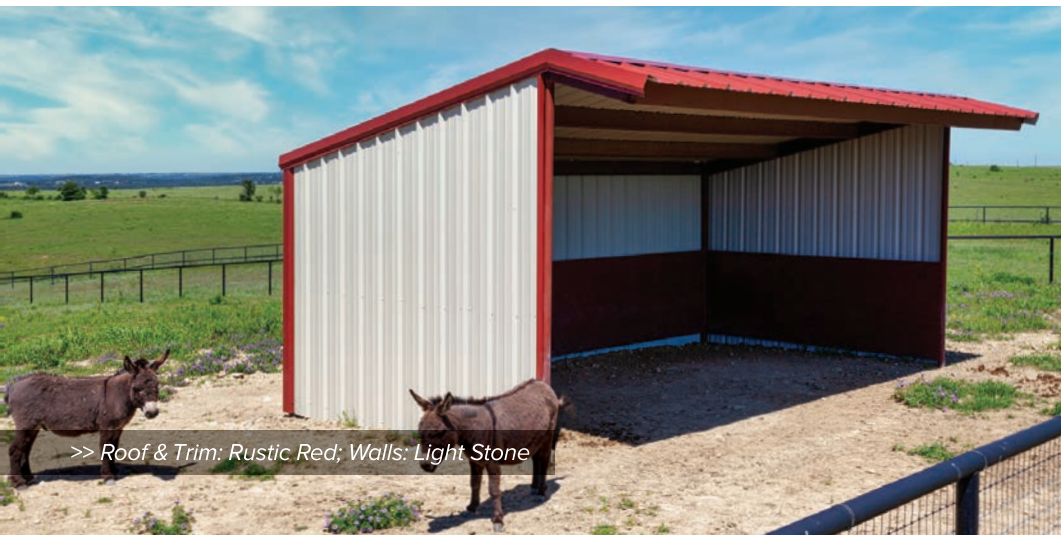

AVAILABLE SIZES:

- 12' x 12'
- 12' x 24'

FEATURES:

- Easy bolt-together construction
- Strong all steel frame
- Durable, 26-gauge roof and wall sheets
- Available in more than 30 colors

Note: Loafing Shed Kits are not engineered. Please check local building codes before ordering.

>> Roof & Trim: Rustic Red; Walls: Light Stone

CARPORT KITS

A RELIABLE WAY TO PROTECT YOUR RIDE.

Why expose your car or truck to hail, heat and storms? Mueller's Carport Kits provide a practical way to keep them protected. They're affordable, easy to assemble and available in one or two-car sizes.

EACH KIT INCLUDES:

- Erection drawings
- Pre-cut parts
- Detailed instructions

AVAILABLE SIZES:

- 12' x 20' Single Car
- 20' x 20' Double Car
- 24' x 24' Double Car

FEATURES:

- 26-gauge white roof sheets, 30-year warranty
- Square tubing and purlin frame (optional galvanized frame available)
- Optional trim kit available

Note: Carport Kits are not engineered. Please check local building codes before ordering.

>> Trim: Tan

BUILDING ACCESSORIES

ROLL-UP DOORS

Everything you want in a metal roll-up door – durable construction, quiet operation, and long-lasting performance – you’ll find in roll-up doors from Mueller. Select from a wide range of sizes and designer colors to complement your building. Mounting hardware is also included.

ACCESSORIES AVAILABLE:

- Electric Roll-Up Door Opener
- Electric Operator Kit
- Radio Control Kit

WIND CERTIFIED ROLL-UP DOORS

If you live in an area with high winds, you should consider a wind-certified roll-up door from Mueller. At our in-house testing facility, these doors were proven to withstand winds up to 120 mph. Our test generated a force of 37 pounds per square foot, which is equivalent to 120 mph wind.

VENTS

Commercial Ridge Vent

Low Profile Ridge Vent

Fixed Wall Louver

WINDOWS

- Horizontal Sliding Window
- Fixed Accent Window

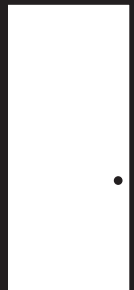

INSULATION

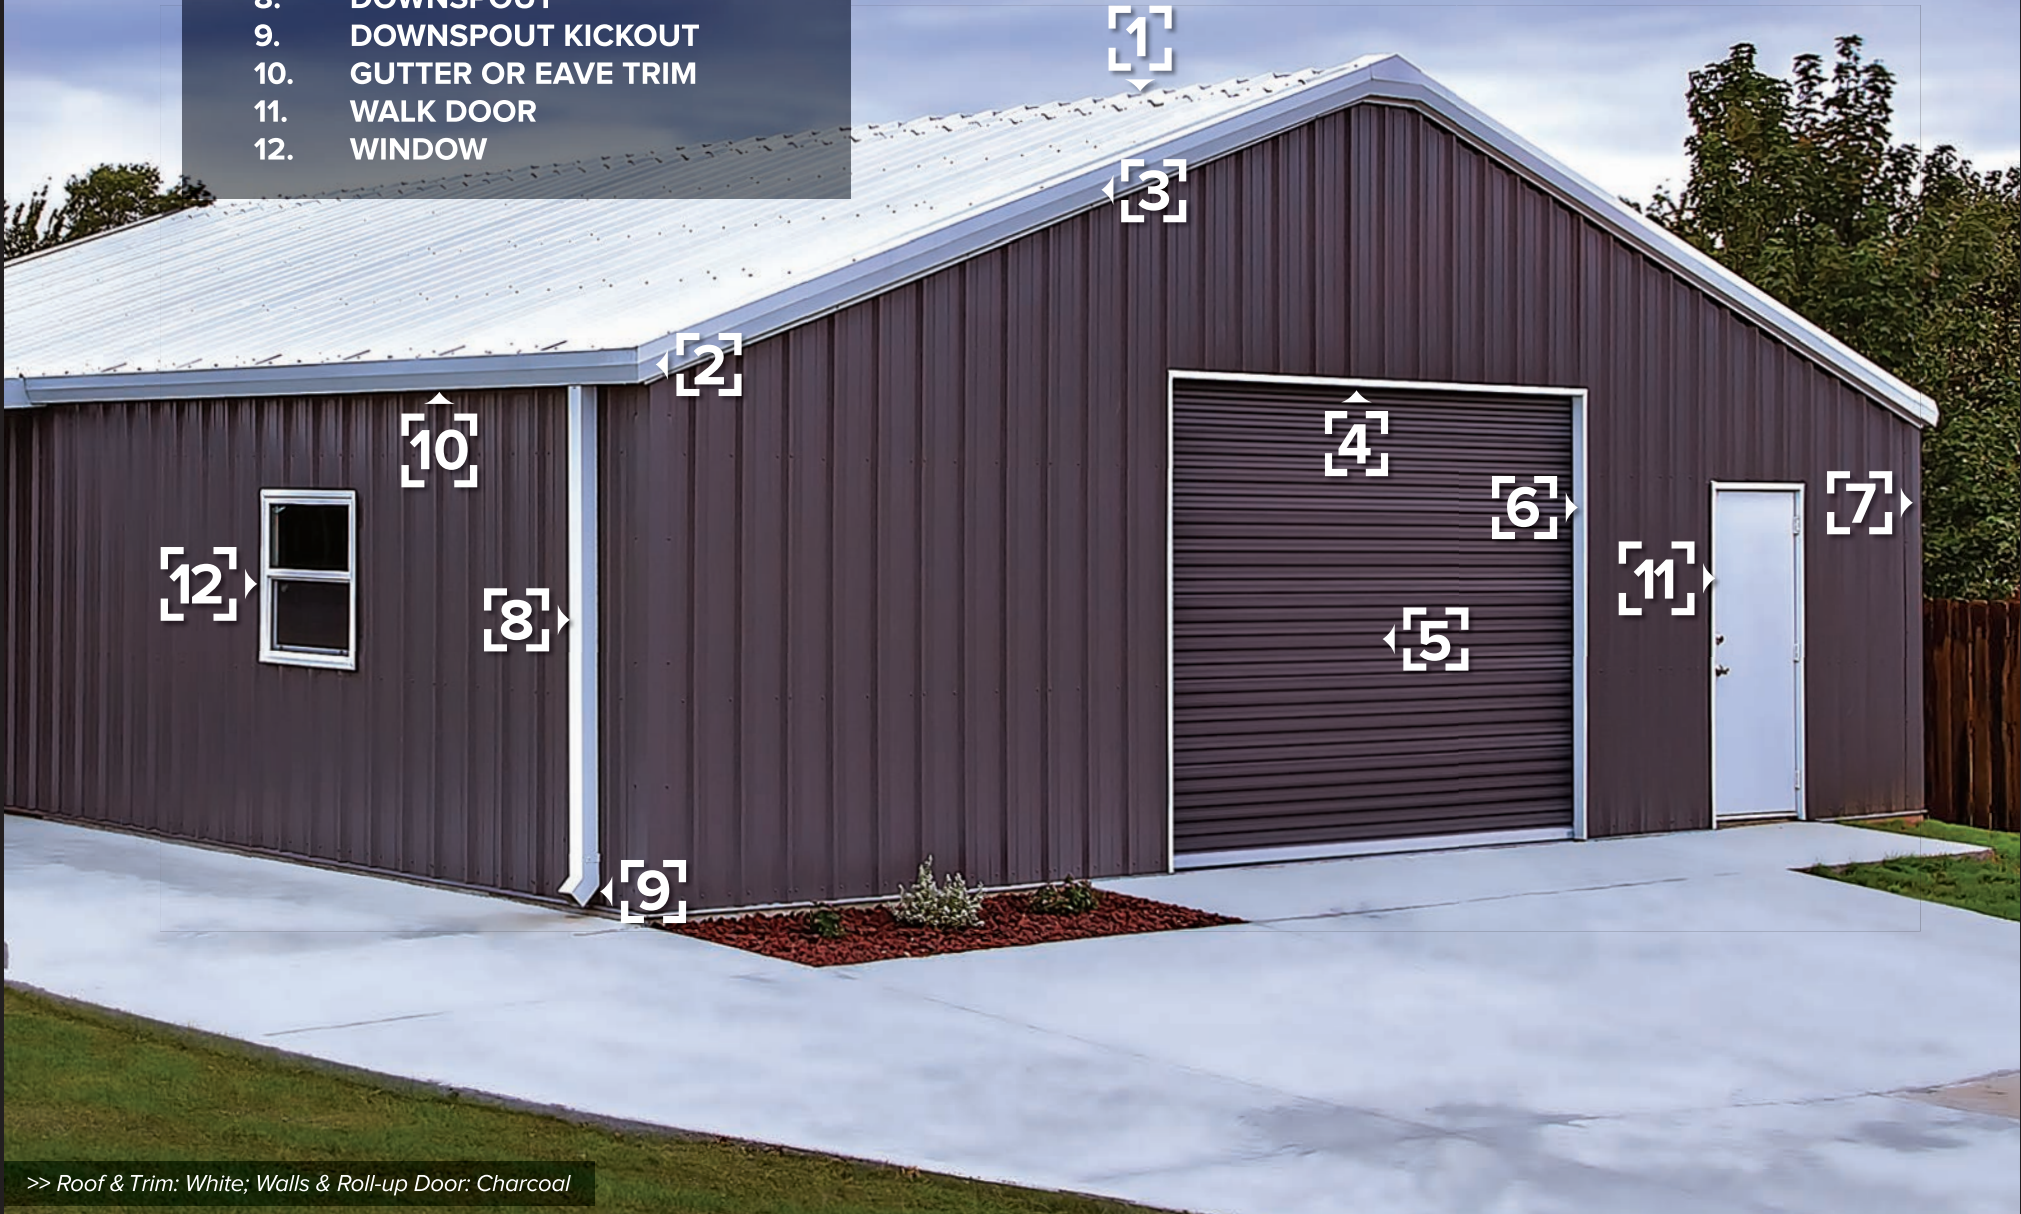

R-Values represent resistance to conductive heat transfer but don’t measure a product’s ability to reflect radiant heat transfer. Most of a building’s heat loss or gain is through radiation. Mueller can supply you with insulation, patching tape and net wire to give you more energy efficiency.

WALK DOORS

Walk doors can use standard, premium, heavy-duty lever locksets or panic hardware. Weatherstrip kits are recommended to give you a tighter fit and reduced air leakage and dust. You can order complete door kits, which include the door, frame kit and standard lockset. Doors are 20-gauge steel with a polystyrene core, and frames are 16-gauge steel. A slide bolt is included on the 6' x 7' door unit.

- 1. PEAK SHEET OR RIDGE ROLL
- 2. CORNER BOX
- 3. RAKE TRIM
- 4. DOOR HEAD TRIM
- 5. ROLL-UP DOOR
- 6. JAMB TRIM
- 7. CORNER TRIM
- 8. DOWNSPOUT
- 9. DOWNSPOUT KICKOUT
- 10. GUTTER OR EAVE TRIM
- 11. WALK DOOR
- 12. WINDOW

>> Roof & Trim: White; Walls & Roll-up Door: Charcoal

METAL ROOFING

GIVE YOUR HOME THE ROYAL TREATMENT.

Mueller metal roofing adds the crowning touch to your home and provides strength and style. Choose from our wide selection of designer colors to make your home uniquely your own. Our metal roofs are also practical, featuring an innovative paint system that ensures a fresh appearance. Plus, the strength of steel offers the added benefit of protecting your home and what matters most within it. When you choose Mueller, you will have a beautiful, long-lasting roof from a company you can count on for decades to come.

- **CURB APPEAL.** CHOOSE FROM MORE THAN 30 DESIGNER COLORS WITH LIMITED PAINT WARRANTIES UP TO 40 YEARS.
- **DURABILITY.** INSTALL A ROOF THAT LASTS MUCH LONGER THAN COMPOSITION ROOFS AND WOODEN SHINGLES.
- **WEATHER RESISTANCE.** RECEIVE SUPERIOR PROTECTION FROM WIND, HAIL & FIRE.
- **ENERGY EFFICIENCY.** POTENTIALLY LOWER YOUR AIR CONDITIONING AND HEATING BILLS.
- **INSURANCE SAVINGS.** CONTACT YOUR INSURANCE TO DETERMINE ELIGIBILITY FOR POSSIBLE HOME INSURANCE DISCOUNTS.
- **ENVIRONMENTAL BENEFITS.** GO GREEN BY INSTALLING A ROOF THAT'S HIGHLY RECYCLABLE.
- **LOW MAINTENANCE.** ENJOY WORRY-FREE PROTECTION FOR YEARS TO COME.

CFS & CF PANELS

STUNNING BEAUTY FOR YOUR HOME.

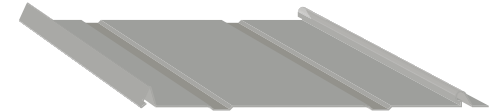

It's no wonder that CFS and CF Panel roofs are so popular with our customers. The innovative, joint-lock system gives these roofs a smooth, high-end appearance, and the premium paint coatings ensure a vibrant look for decades. But these roofs aren't just attractive – they deliver amazing durability and added protection from wind, rain and hail.

R, U, SSP AND CORRUGATED PANELS

DESIGNED FOR LONG-LASTING PROTECTION.

Mueller's R, U, SSP and Corrugated Panels provide all of the advantages of Mueller metal roofs at a more affordable price. Compared to composition shingle roofs, they give you a more sophisticated appearance and greater protection from the elements. Select from a variety of designer colors to get the roof that suits your style. In some cases, you can install the panels directly onto an existing shingle roof, which can save time, labor and disposal costs.

>> Roof: CF Panel, Ivy Green

COLOR PALETTE

CHOOSE THE HUE THAT'S RIGHT FOR YOU.

Our premium metal roofing and steel building panels offer incredible versatility, durability and beauty, making them a great solution for both residential and commercial applications. With bold profiles and many color choices to choose from, you can get the look you desire while achieving outstanding structural performance.

We use a high-performance exterior coating that can deliver better performance over time and reduce your cooling and heating load. The pigments in Mueller metal roofing panels offer higher solar reflectance. As a result, they reflect infrared radiation while absorbing the same amount of visible light. This allows the panel to appear the same color as lesser-reflecting pigments, yet stay much cooler.

PAINT SYSTEMS AND WARRANTIES

BETTER TECHNOLOGY MEANS HIGHER QUALITY.

Thanks to our premium coatings, Mueller steel buildings and metal roofs will look vibrant for decades. Our innovative paint system – the best in the industry – gives you several key benefits.

- **BEAUTY.** THE CERAMIC AND INORGANIC PIGMENTS ENSURE LONG-TERM COLOR RETENTION, EVEN AFTER MANY YEARS OF WEATHERING.
- **DURABILITY.** THE STRONG RESINS IN THE PAINT FORM A TOUGH, SOLID BARRIER, PROTECTING THE PIGMENTS OVER TIME.
- **ENERGY EFFICIENCY.** THE COOL CHEMISTRY® IN THE PIGMENTS DELIVER HIGHER SOLAR REFLECTANCE, WHICH MAY REDUCE THE HEATING AND COOLING LOAD ON YOUR HOME.
- **LIMITED PAINT WARRANTIES UP TO 40 YEARS.** WITH MUELLER, LONG-TERM PERFORMANCE IS GUARANTEED.

COOL CHEMISTRY is a registered trademark of an AkzoNobel company.
